

Sporządź przedstawiony formularz

The image shows a screenshot of a graphical user interface for a simple arithmetic calculator. The window has a blue title bar with the text "Wyrażenia arytmetyczne" and a red close button in the top right corner. The main area has a light beige background. On the left, there is a white rectangular input field. To its right is a vertical stack of four buttons: "+", "-", "*", and "/". Further right is another white rectangular input field, followed by an equals sign "=" and a light blue rectangular output field. Above the output field, the word "wynik" is written in a small, dark font.

Program ma wyliczyć wynik odpowiedniego wyrażenia (+ - * /)
