The screenshot shows a Windows application window titled "Miary". The window has a blue title bar with a close button in the top right corner. The main content area is light beige and contains a form. On the left, there is an empty orange rectangular input field. In the center, there is a list of units under the heading "Wskaz jednostke". The units are: Nm, Kbl, fathom, yard, foot, inch, and statute mile. Each unit has a radio button next to it. To the right of the list is an equals sign (=) inside a dashed rectangular box. To the right of the equals sign is another empty orange rectangular input field.
